Hi Todd,

Thanks for the call this morning and for updating me on when to expect the PDI Sampling Report.

I'm trying to understand your request for an IDW waiver. Could you please send me an email explaining how the IDW was to be managed according to the PDI WP, what is the deviation that you are seeking, and what is the rationale for the deviation? Please also provide the sampling information showing that the IDW is non-TSCA material.

Thanks,
Victoria
